Preface

Welcome to Nursery All About Me Learning Book, a fun and engaging introduction to facts about themselves for young learners! This book is designed to help kindergarten students explore the world around them, starting with the most important topic—themselves!

Early learning should be engaging, enjoyable, and impactful. Nursery All About Me Learning Book is designed to be a companion in a child's journey of self-discovery, helping them grow into responsible and compassionate individuals.

Happy learning!

All About Me

Hello! My name is Sage

I was born on March 23, 2000. I am 25 years old

I am a girl

I live in UK

I like apples

I don't like spiders

Your **name** is what people call you. Names are special and tell people who you are

Practice writing your name

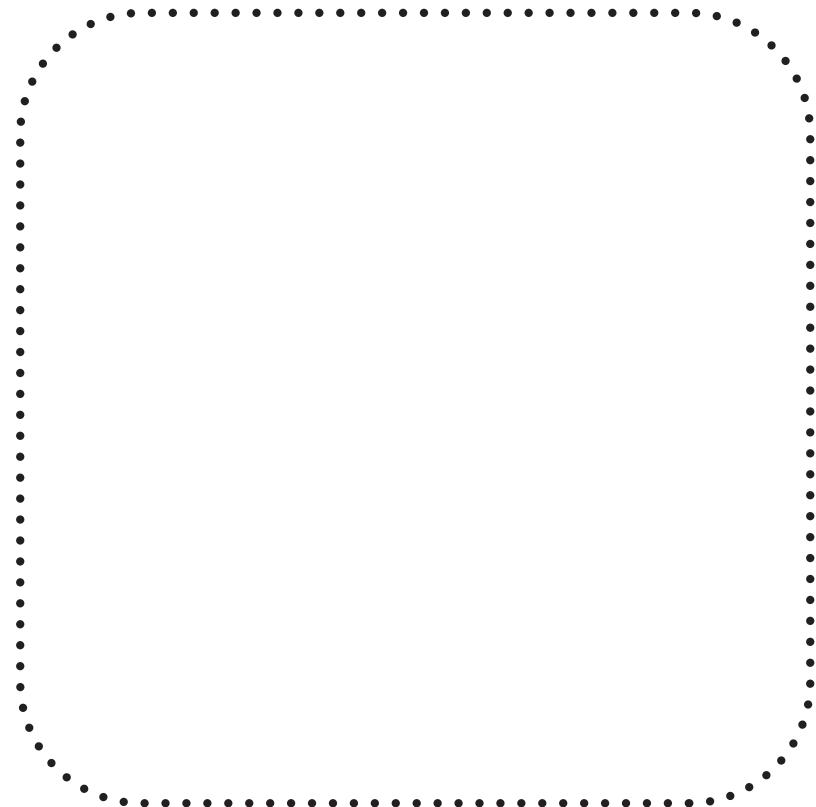

Activity:

Make a nametag of your design. You can color it, paint it or paste things on it.

Take a picture of your name tage and paste it here

Activity:

- A. Practice saying your full name in front of your family, friends, and classmates.
- B. Paste your picture in here and practice writing your full name

Large dotted oval outline for drawing a picture.

Handwriting practice lines (solid top and bottom lines with a dashed middle line) repeated four times.

When you are born, the doctor says you're a boy or a girl. That's your **sex**

Being a boy or a girl isn't about what we wear or look like. Some boys have short hair, and some have long hair. Some girls love dress, and some love pants. And that's okay!

What's important is that we feel happy and comfortable with our appearance.

What Matters Most?

No matter if we are a boy or a girl, we can:

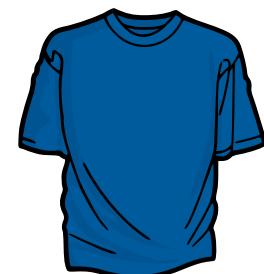

- Play any game we enjoy
- Wear the clothes we like
- Have different interests and hobbies
- Show kindness and respect to everyone

Our differences make the world special, and the most important thing is to be ourselves and treat others with love and kindness.

Activity

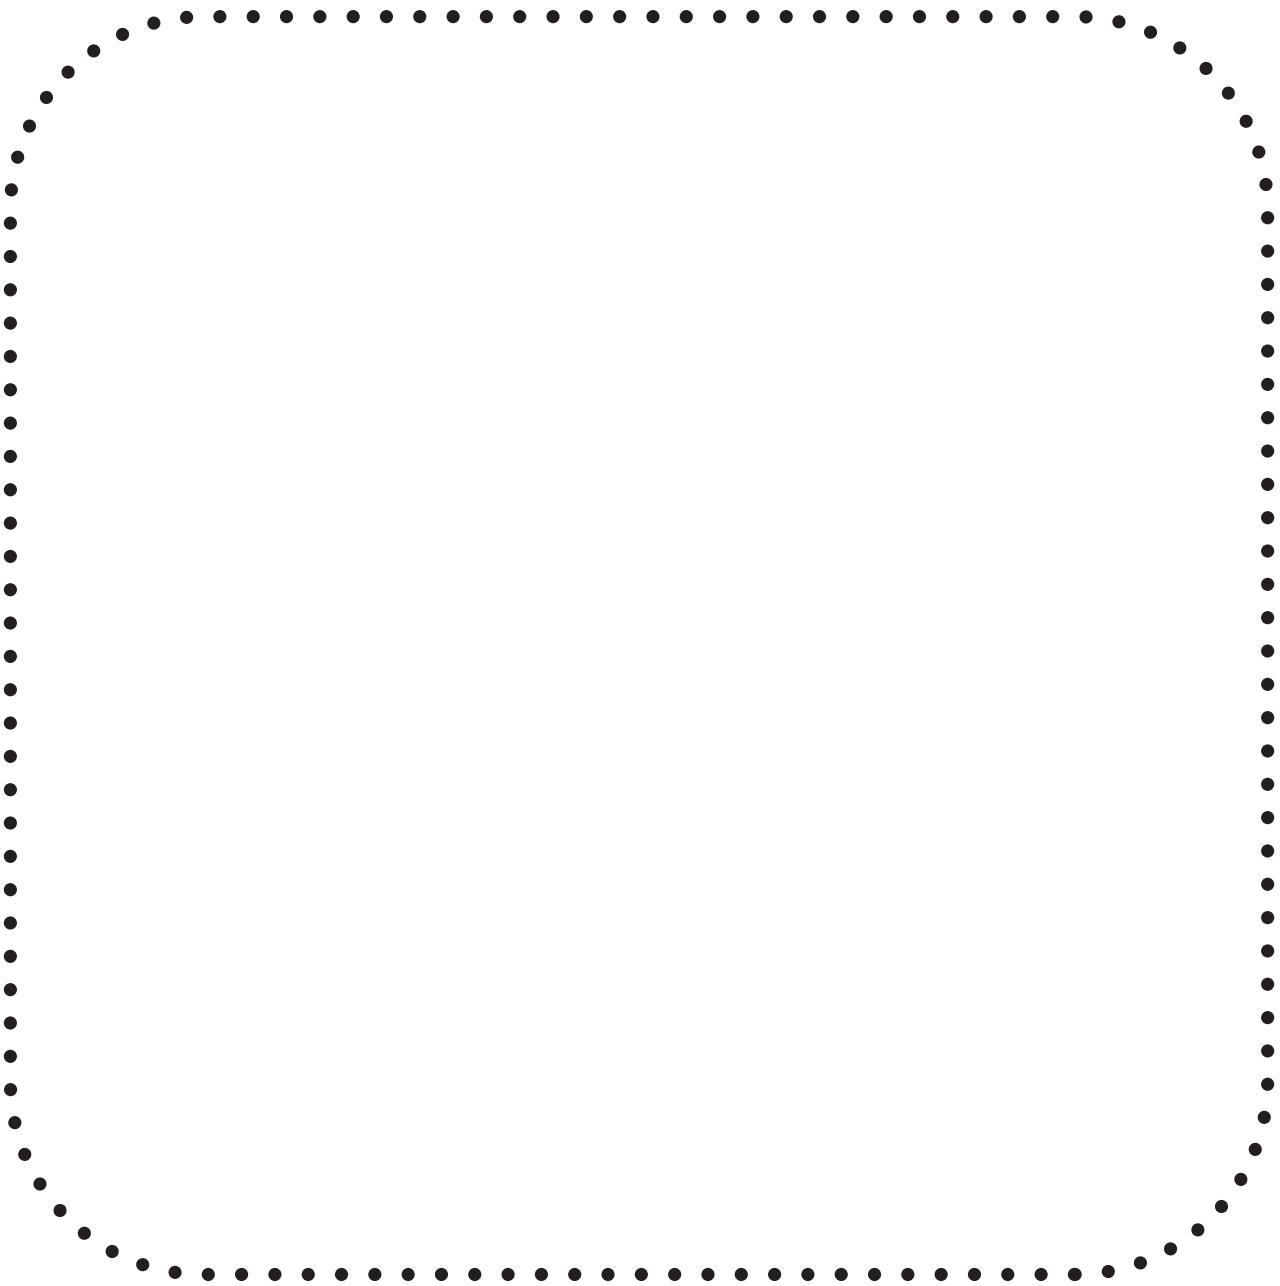

Match the clothes to the boy and girl

Activity

Draw and color yourself

Activity

There are other boys and girls just like me. I can cut and paste pictures of them inside the box.

A large, empty rectangular frame defined by a series of black dots. The frame is approximately 85% taller than it is wide, creating a tall rectangular area for drawing or pasting images.

Activity

Put a check on the correct image

1. The girl is sweeping

2. The boy is watering the plant

3. The old man is sitting.

4. The old woman is holding a tea cup.

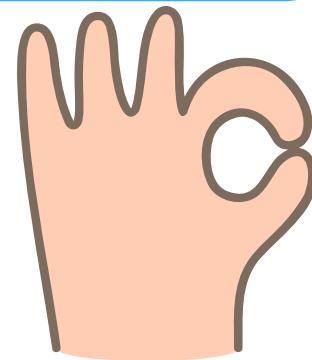

A **birth date** is the day you were born! It's like your own special holiday—your birthday! You celebrate your birthday every year!

My birth date is March 23, 2000. I am 25 years old

March 23, 2000
↑ ↑ ↑
Month Day Year

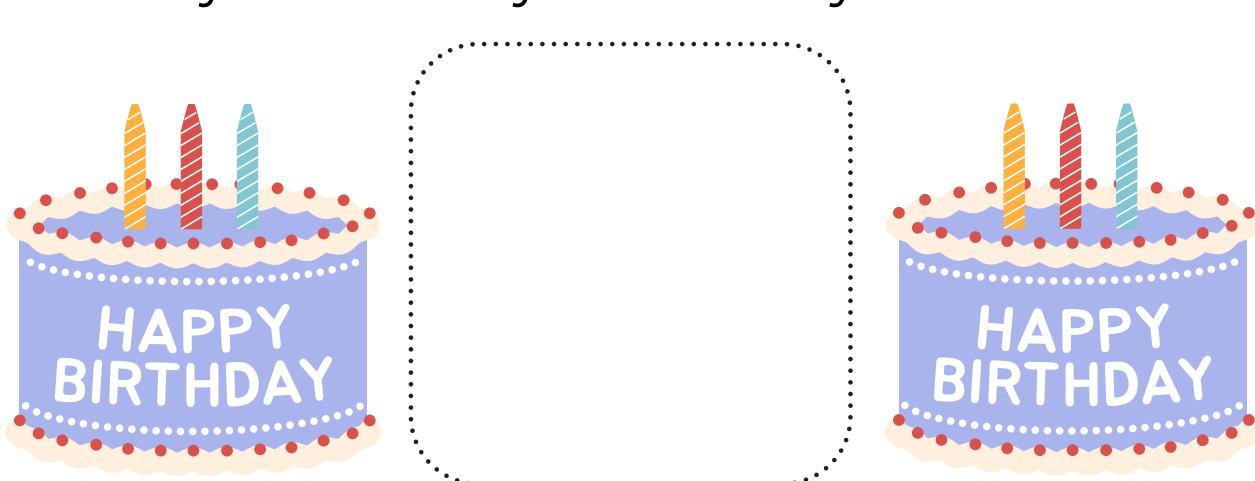

Your **age** is how many years old you are. With each birthday, you get one year older. If you're 3, it means you've had three birthdays!

A birthdate has a month, day, and year you were born in

Activity:

Do you remember the last time you had a birthday? What did you do? Did you have cake?"

A **month** is a group of days. Each has a name. There are 12 months in a year.

Month	Number	Number in Word form	Events
January	1	One	New Year
February	2	Two	Valentine's Day
March	3	Three	Women's Day
April	4	Four	Easter
May	5	Five	Cinco de Mayo
June	6	Six	Pride Month
July	7	Seven	4th of July
August	8	Eight	Day of World's Indigenous People
September	9	Nine	Labor Day
October	10	Ten	Halloween
November	11	Eleven	Day of the dead
December	12	Twelve	Christmas

In January, we celebrate the **New Year**. We say goodbye to the old year and meet the upcoming year with smiles, and fireworks

Happy
New Year

Activity:

Decorate the cake by coloring it, drawing designs on it and even paste things on it

Write your birthday down below.

Activity:

Draw the number of candles based on your age.

Example: You are 6 years old, therefore you will draw 6 candles

A **home address** is the name of a place where you live. It tells people where your house is so they can find it

A home address has a number, street name, town or city, and country name

For example:

12 Baker Street, London, United Kingdom

↑ ↑ ↑ ↑
House Street City Country
number name

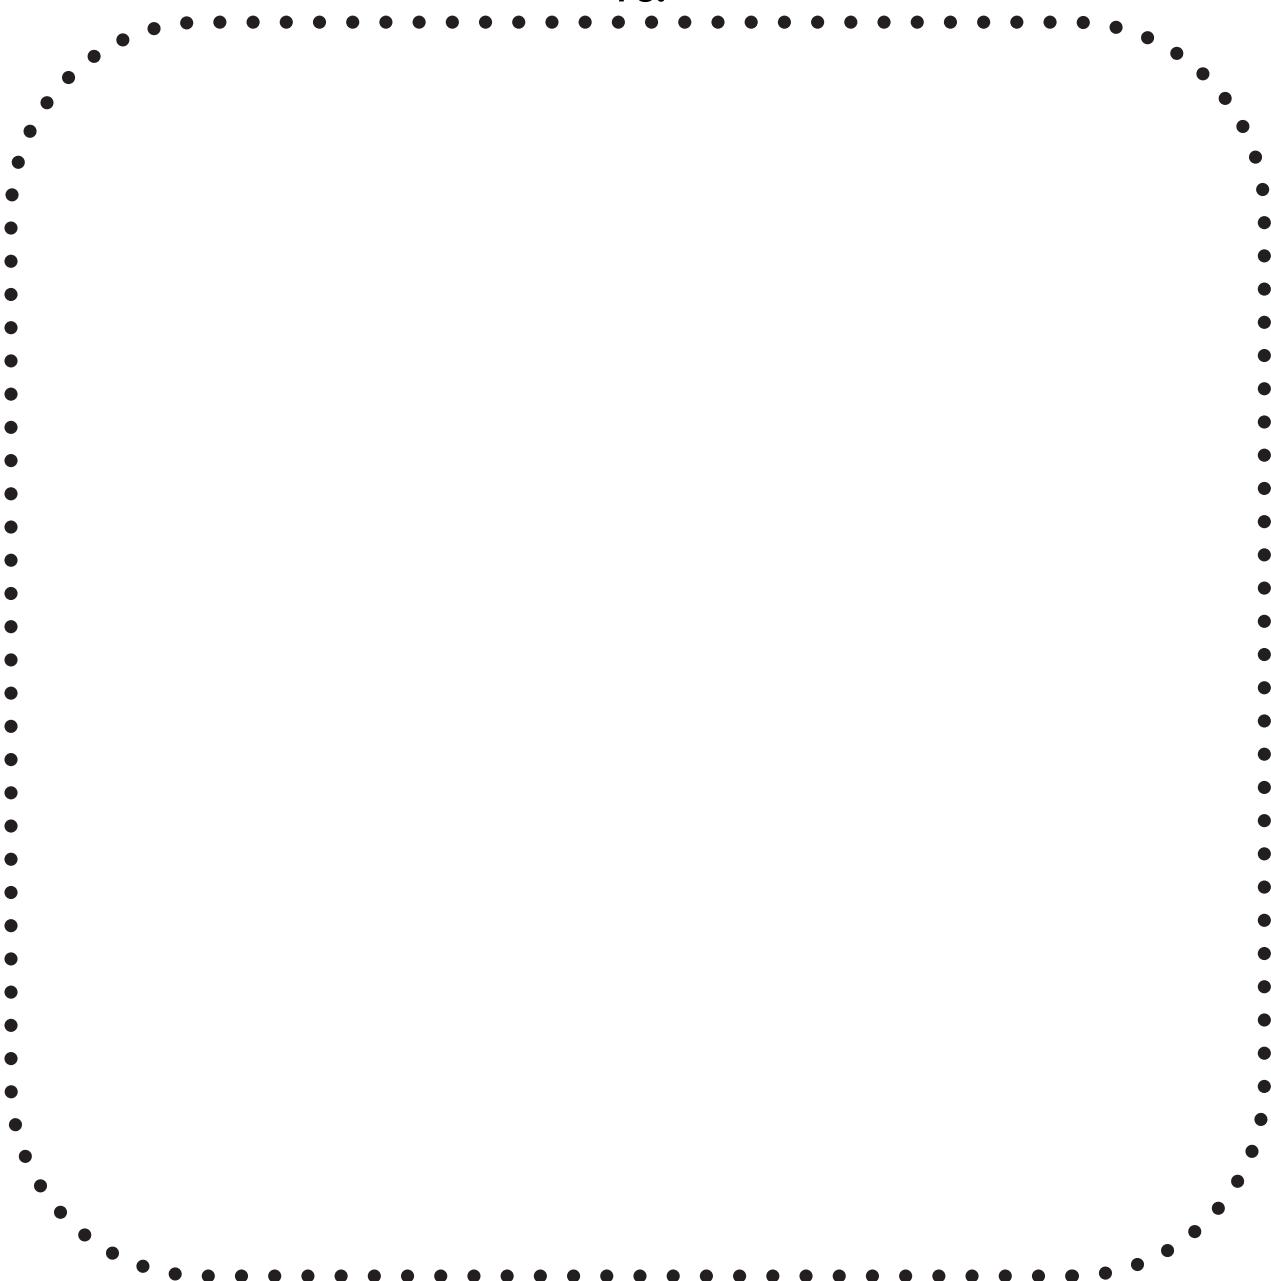

Activity:

Practice writing down your home address with help from your guardian

Activity:

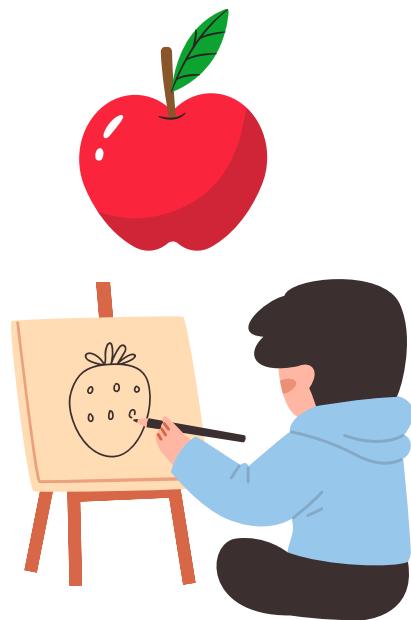

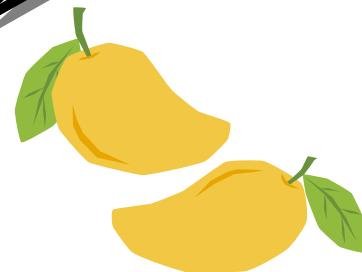

Draw your house and your family outside of it.

Likes are things that you enjoy seeing, doing, etc. They make you happy. Example: Ice cream

I like apples
and mangoes.
I like drawing.

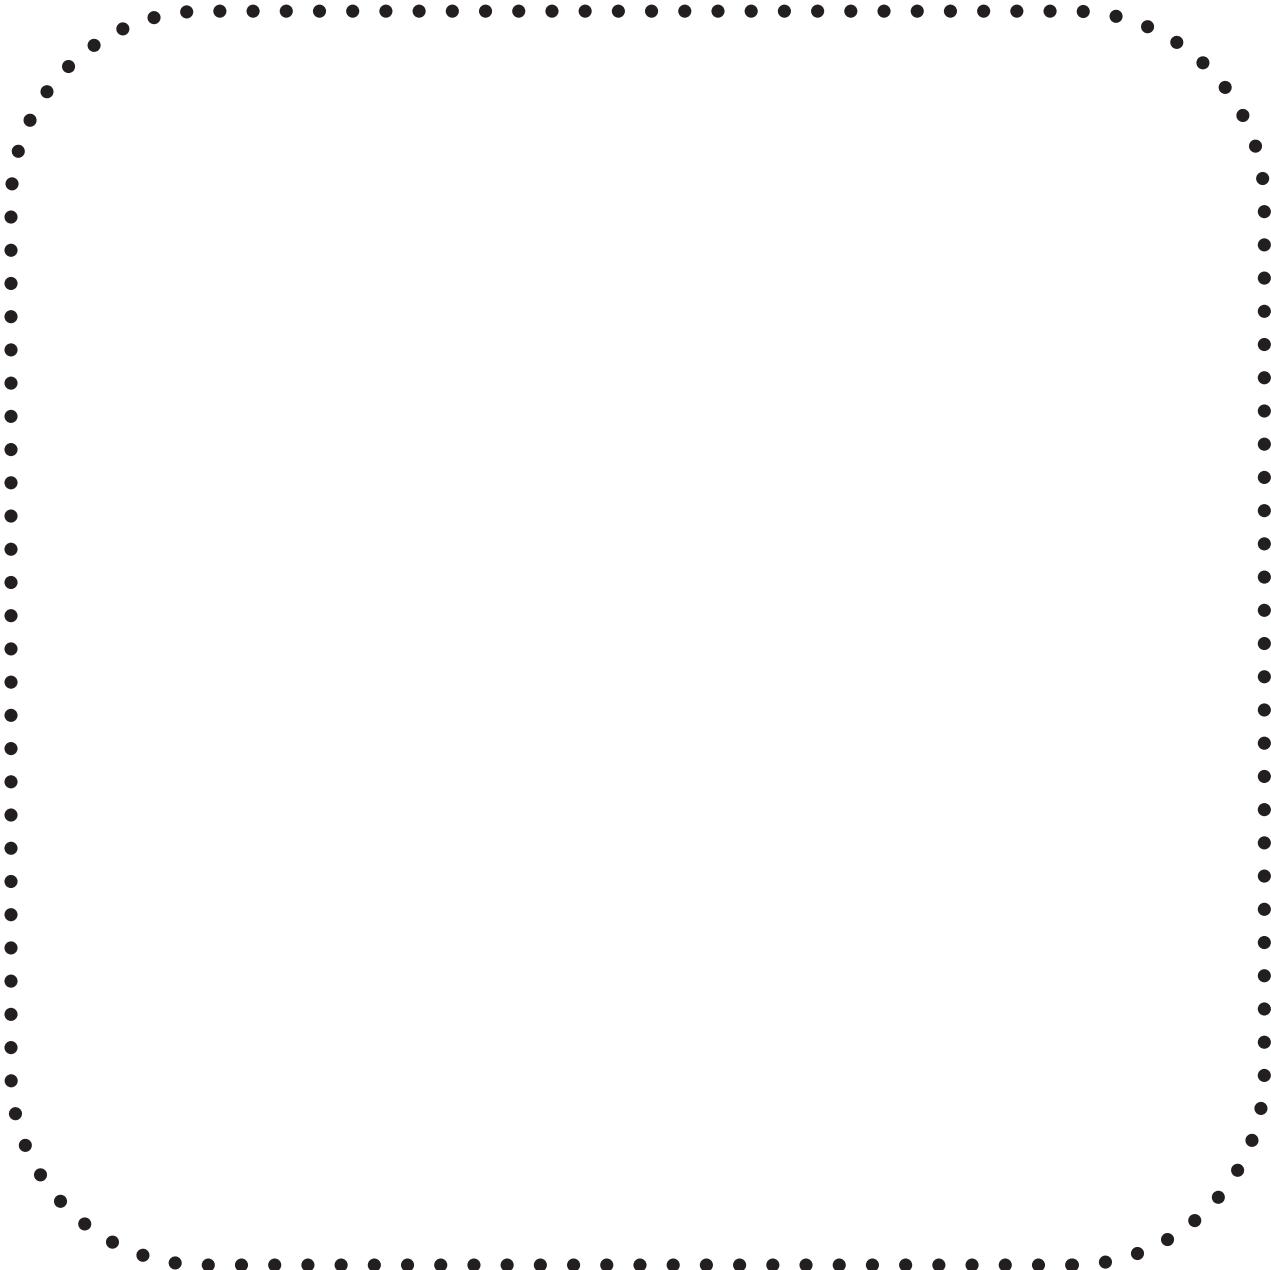

Activity:

What are the things you like? Write them down

Activity:

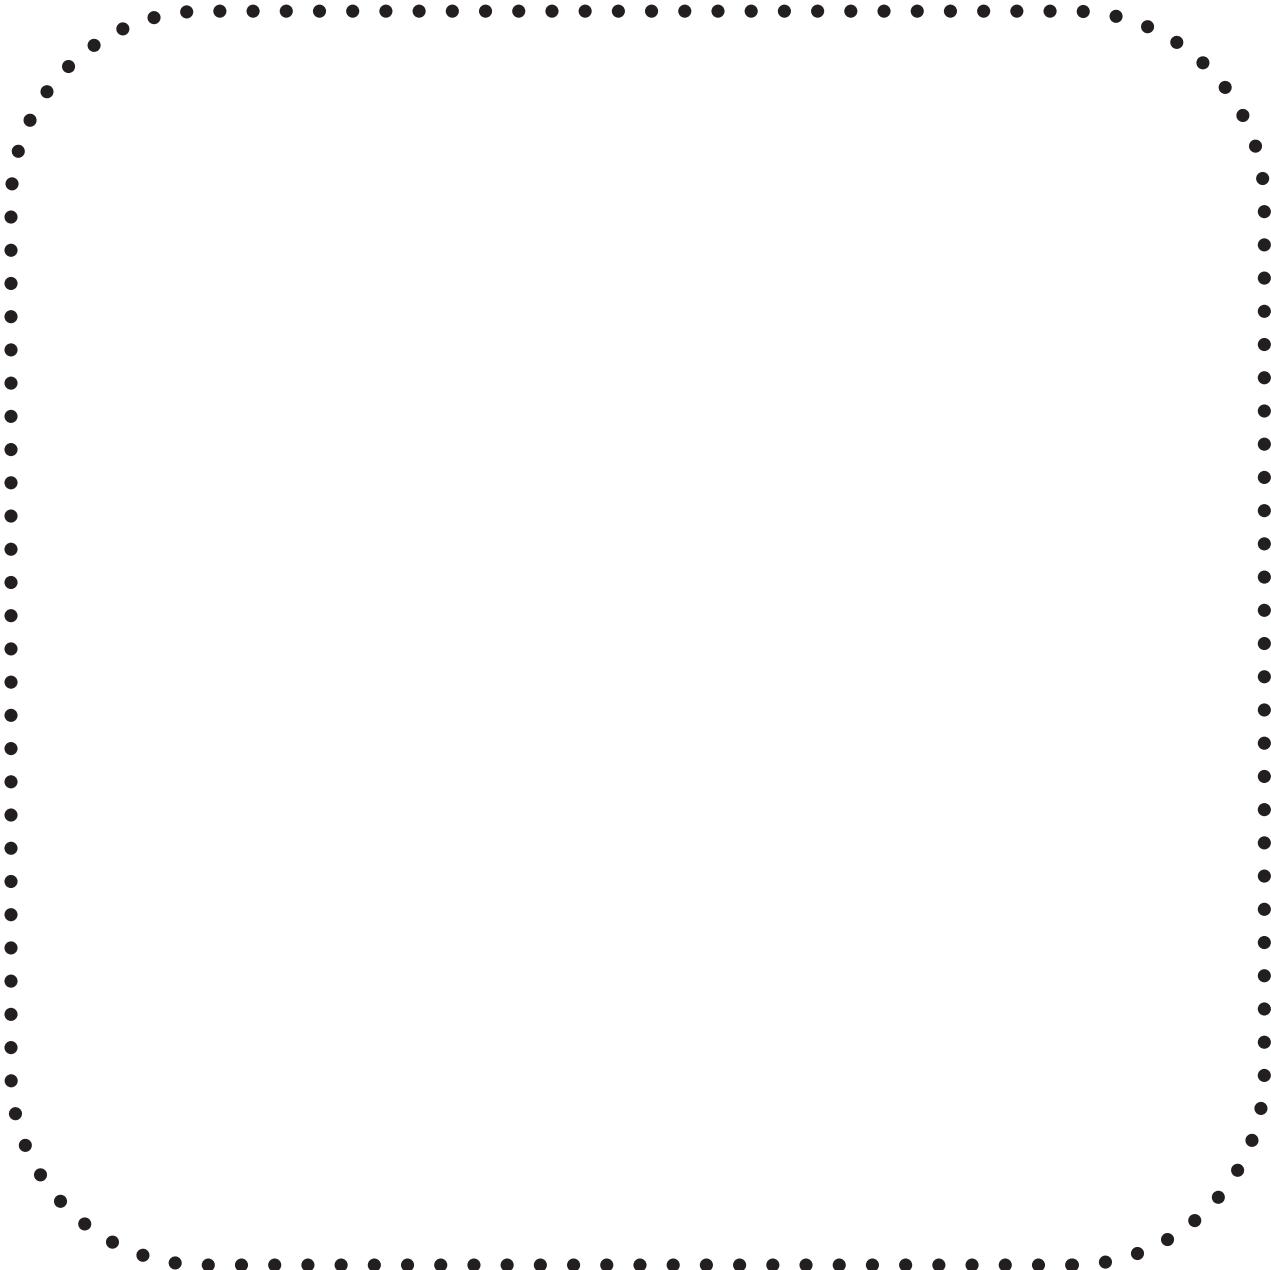

Draw your favorite fruit

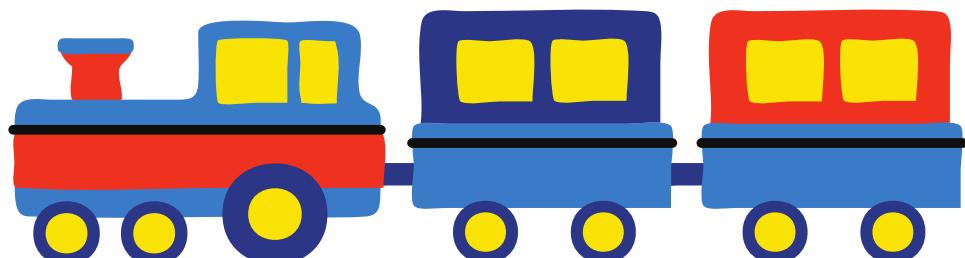

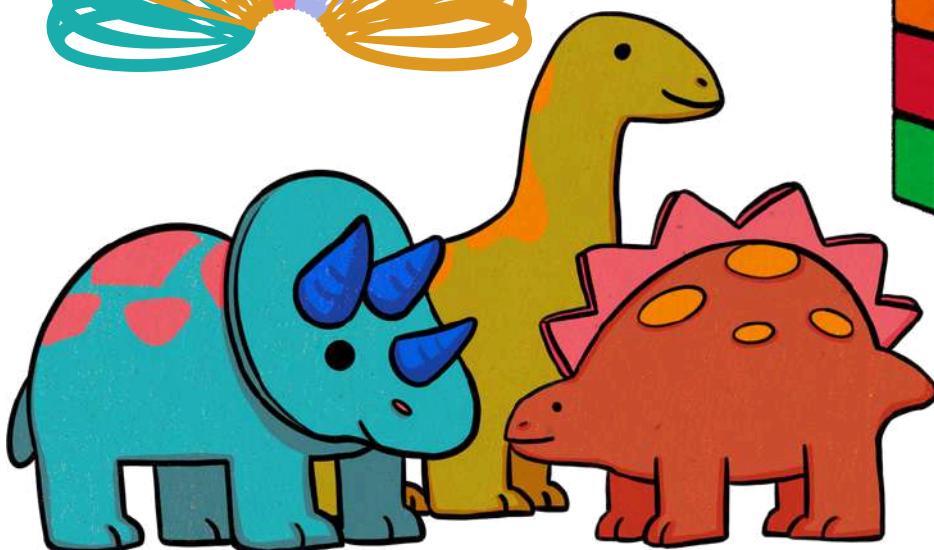

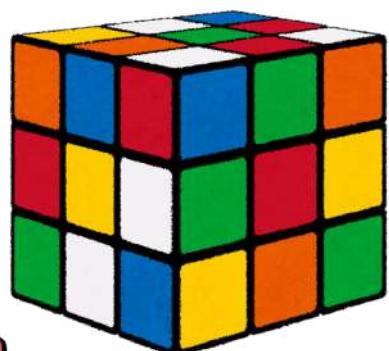

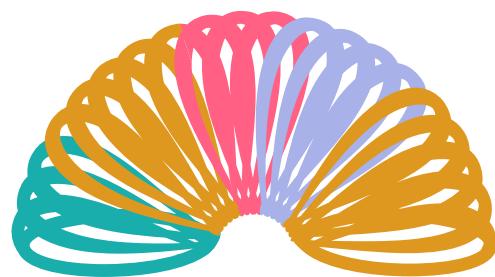

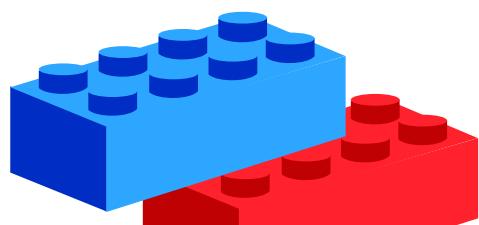

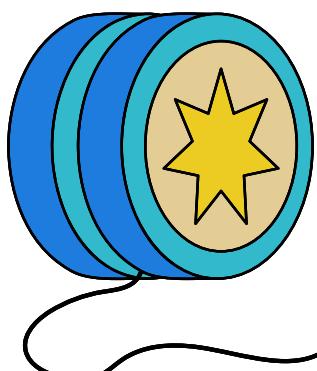

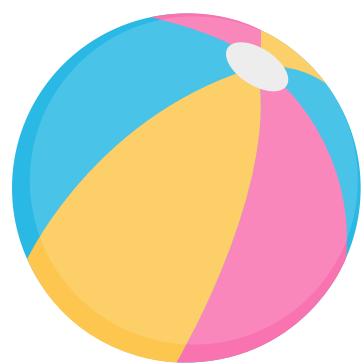

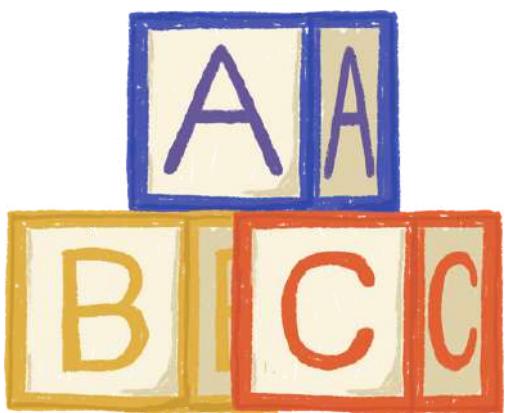

Activity:

Draw your favorite animal

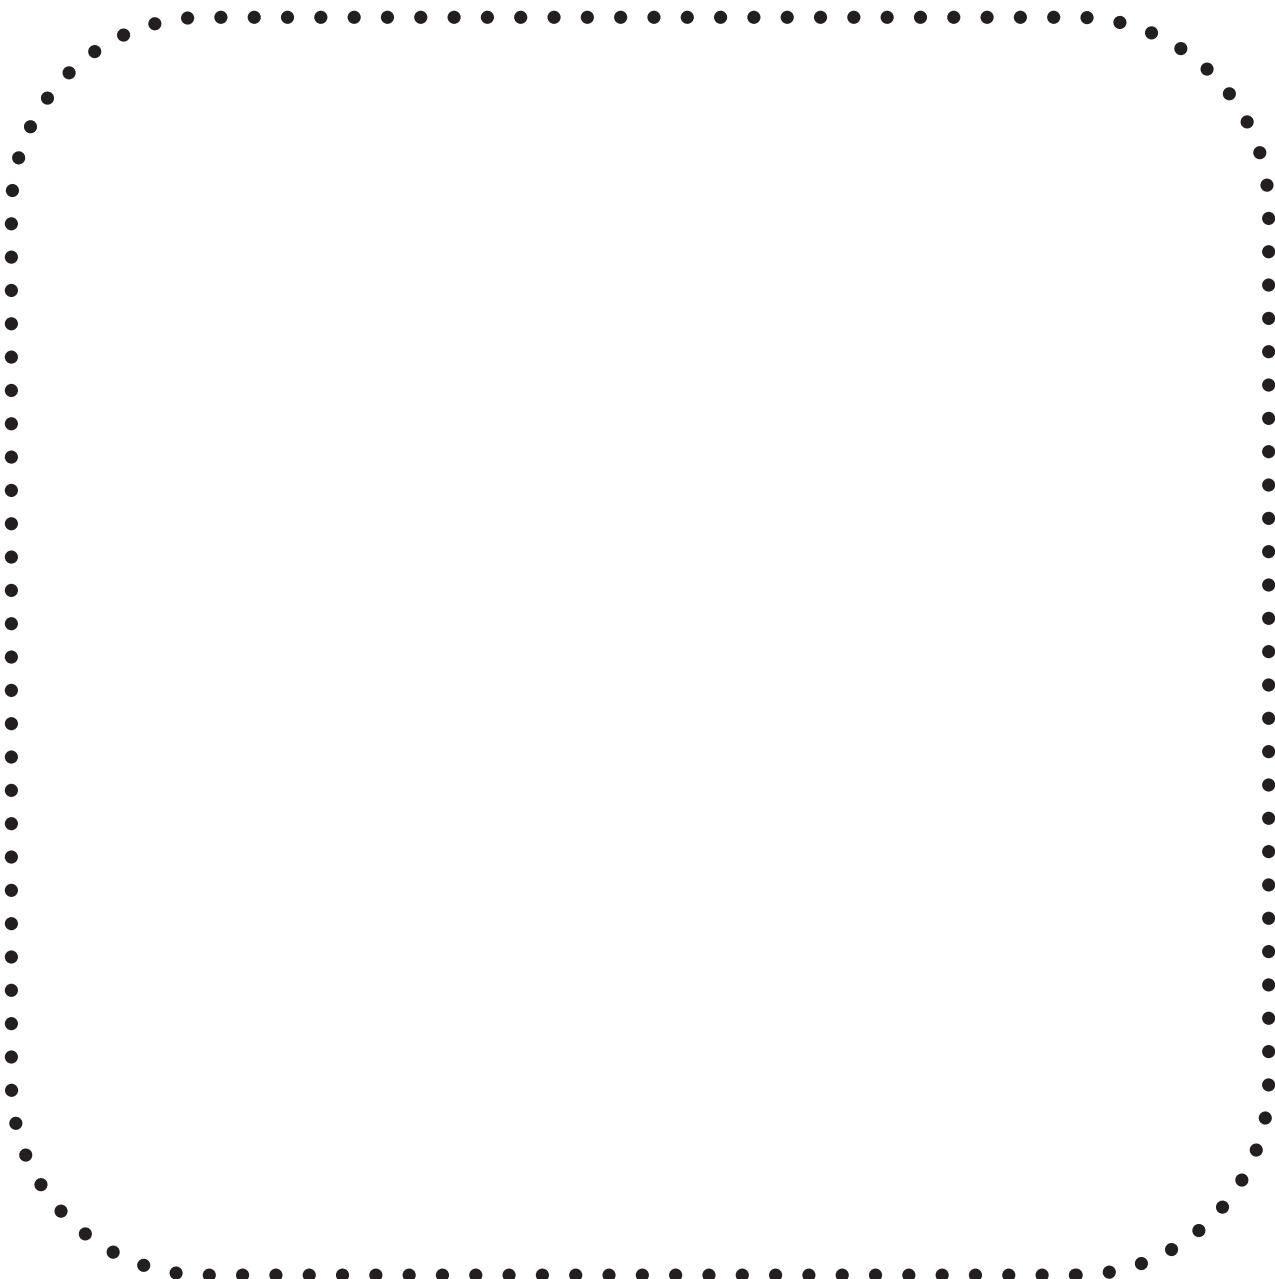

Activity:

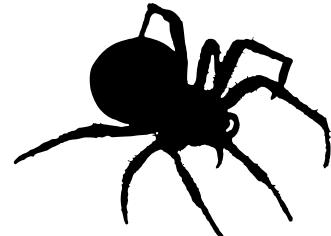

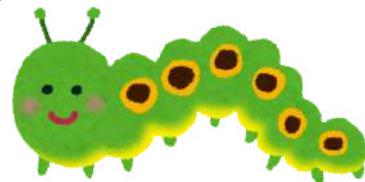

Cut the toys from the previous page and paste your favorite toys on the box below.

Dislikes are things that you do not enjoy like spoiled milk and garbage.

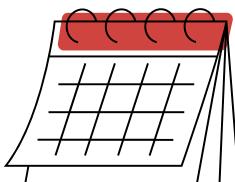

I dislike worms
and insects
like spiders.

Activity:

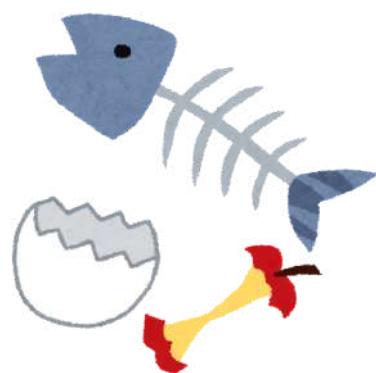

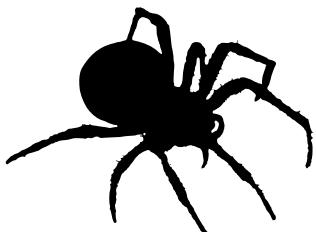

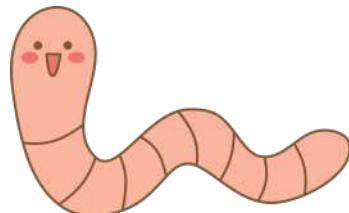

Do you have anything that you do not like?
Write them down below.

Activity

Draw hearts on the things you like
box the things you do not like

Hobbies are fun things you like to do again and again, like coloring, dancing, or building.

My hobbies are drawing and writing stories

Yes, you can have more than one hobby like me! There are different kinds of hobbies

Kinds of Hobbies:

A. Physical Hobbies

Anything that needs your body moving like sports

Examples: soccer, basketball, yoga, zumba

Kinds of Hobbies:

B. Mental Hobbies

They are hobbies that exercise the brain and can boost intelligence

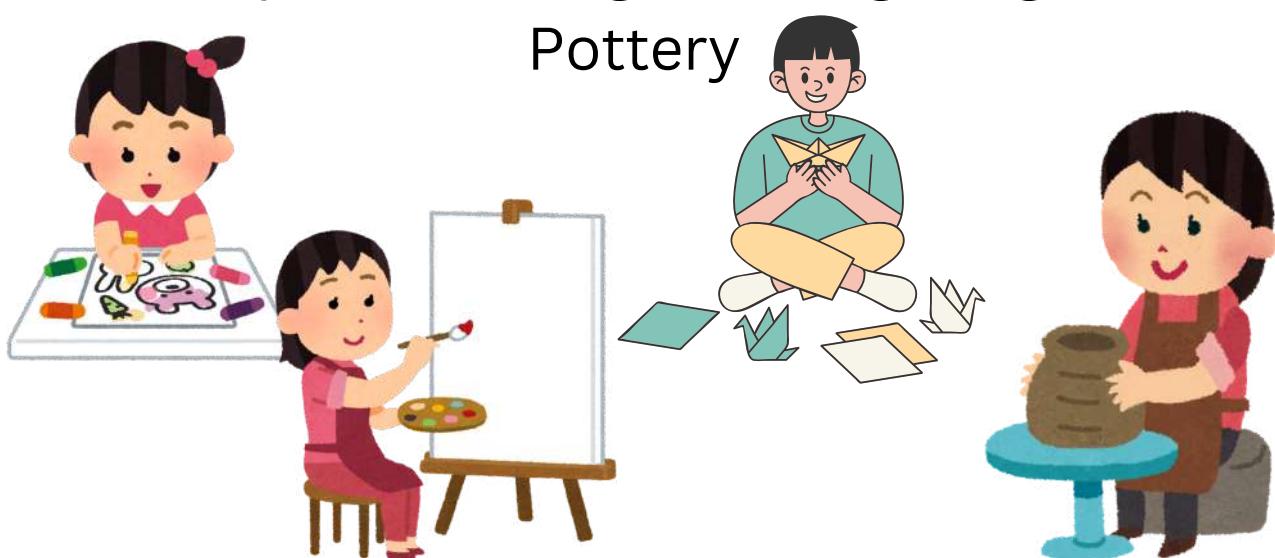

Examples: Writing, Reading, Puzzles, Learning a new language

C. Creative Hobbies

They are hobbies that are art related

Examples: Drawing, Painting, Origami, Pottery

Kinds of Hobbies:

D. Musical Hobbies

They are hobbies that are related to music

Examples: Singing, Dancing, Composing
music, Learning an instrument

E. Collective Hobbies

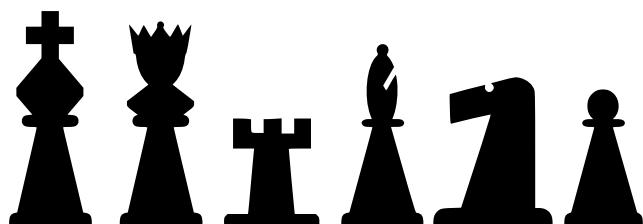

They are hobbies where people collect
something

Example: Cards, Coins, Seashells, Books,
Shoes

Activity:

Cut the pictures and paste them according to their hobby group:

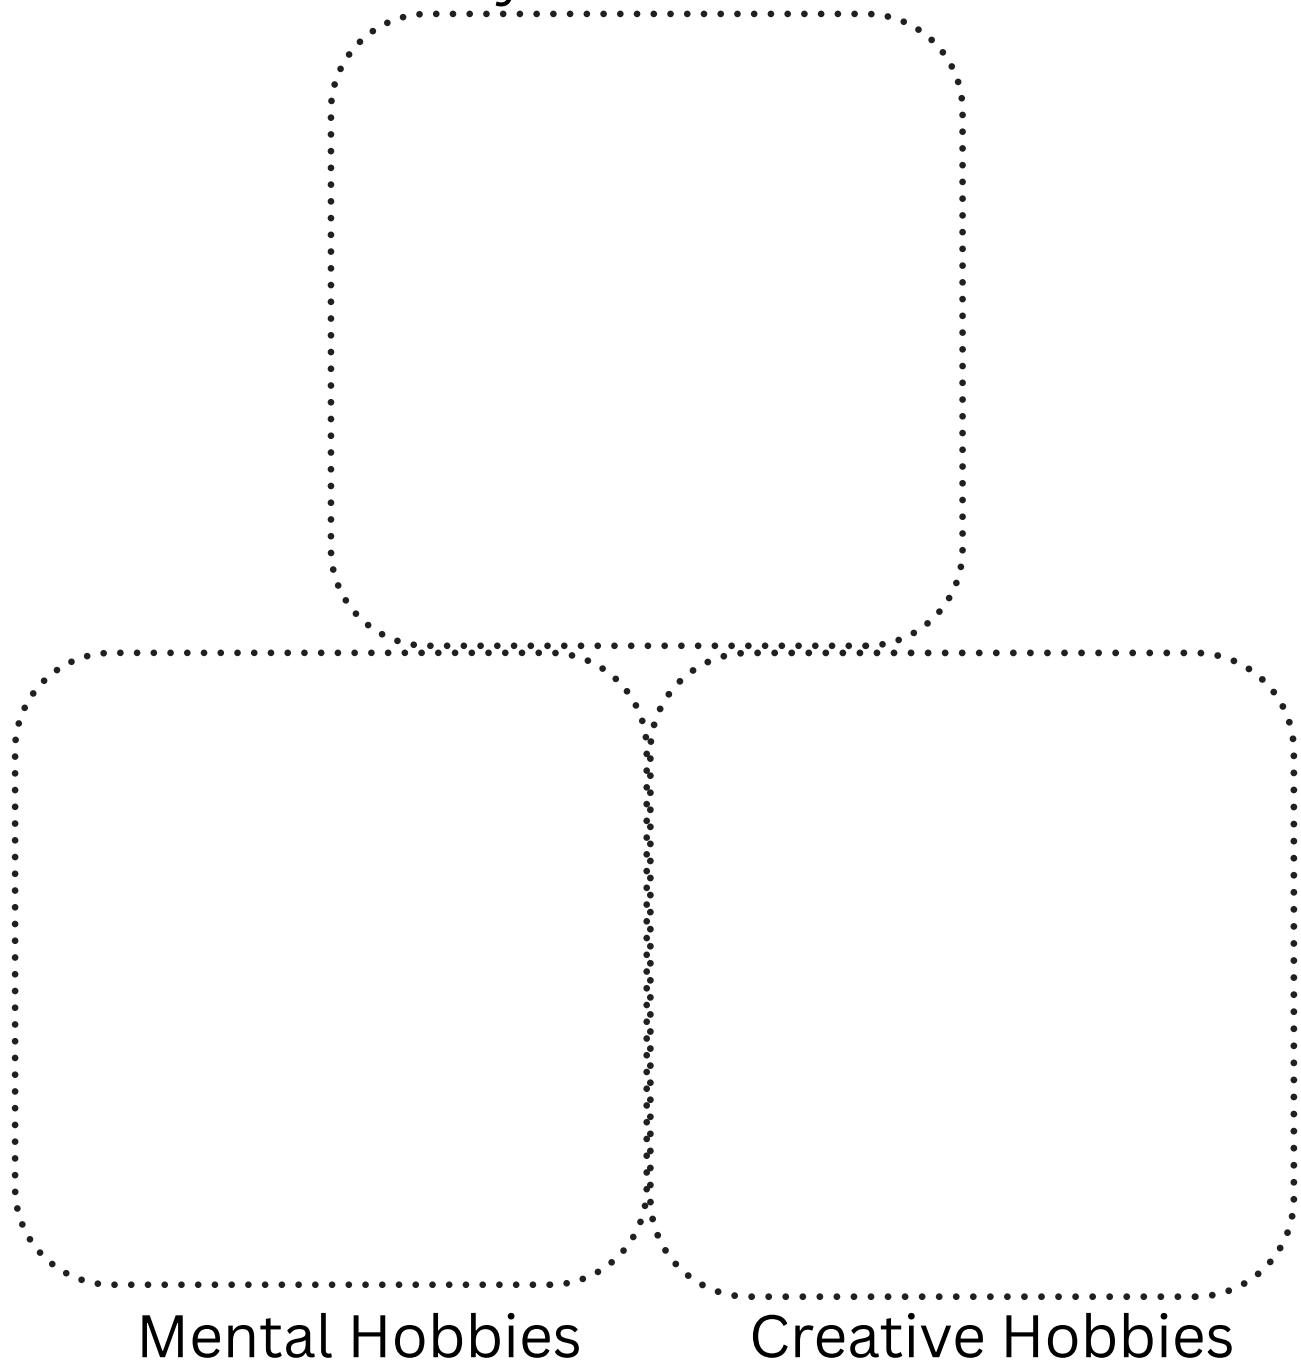

Activity:

Cut the pictures and paste them according to their hobby group:

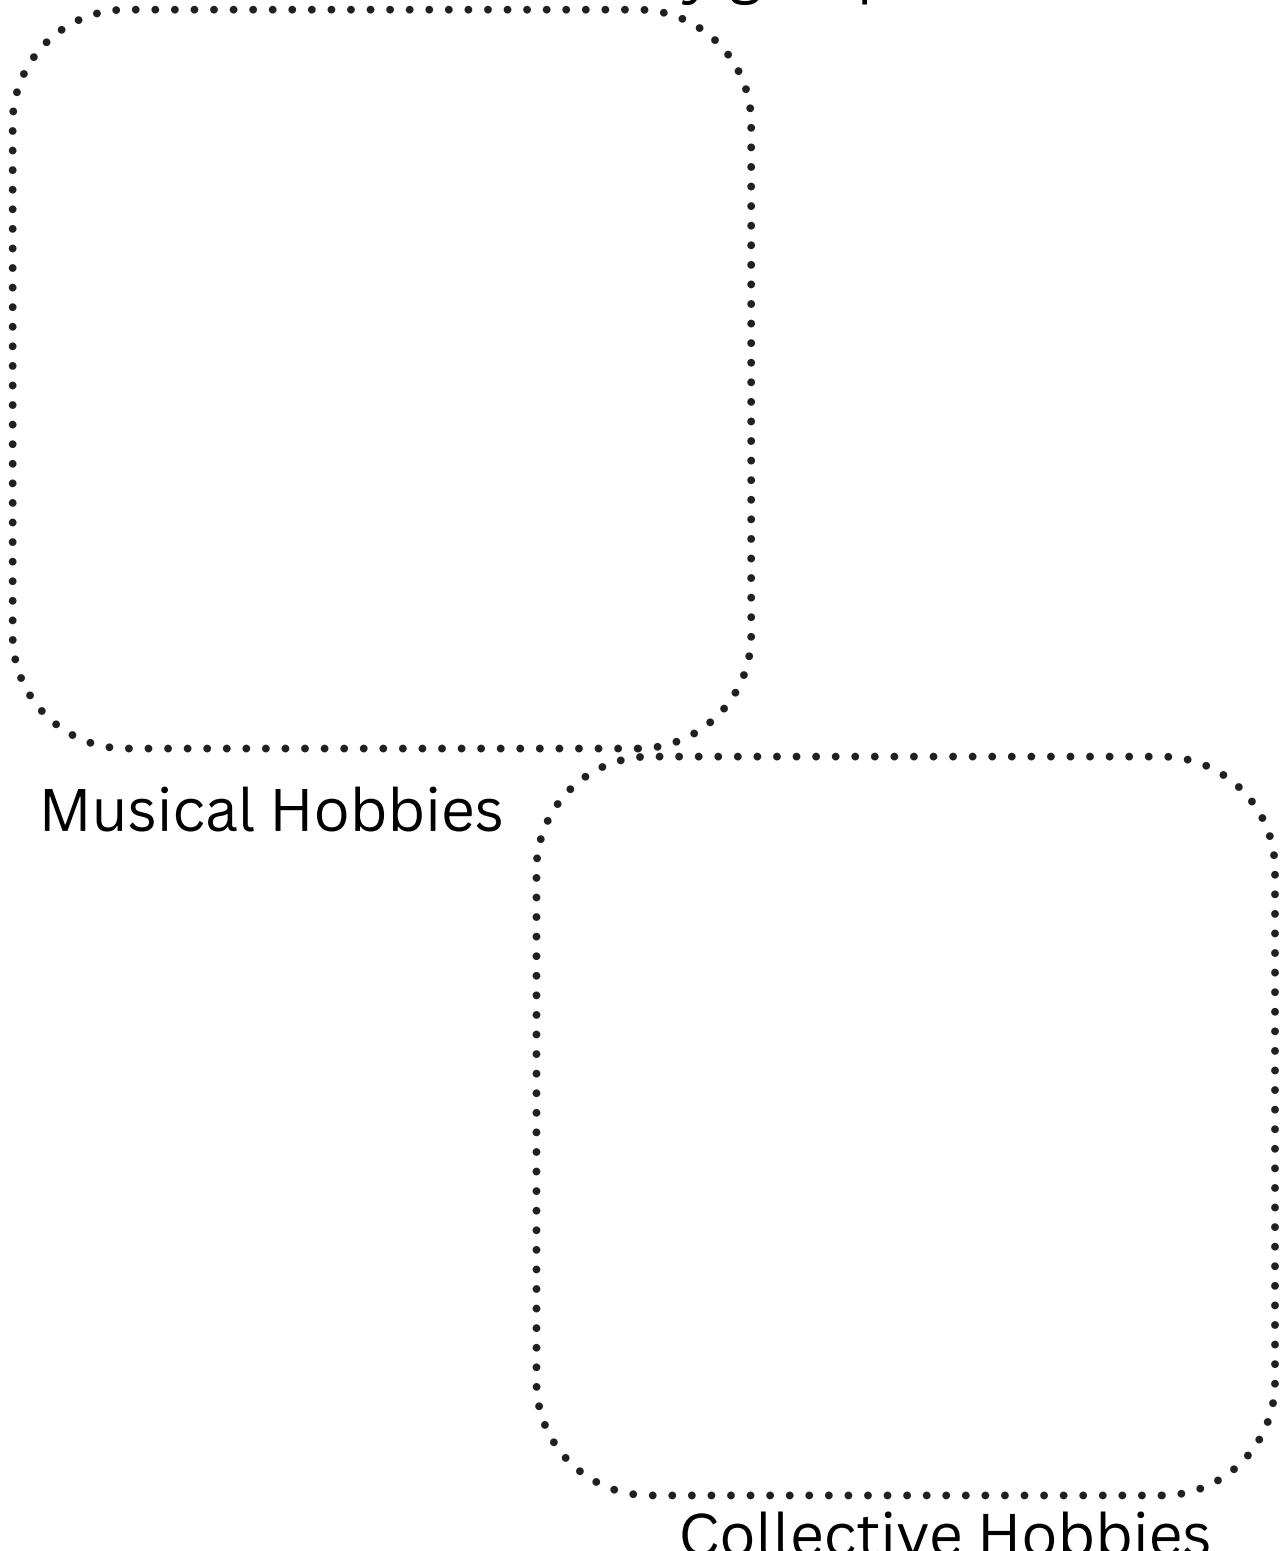

Physical Hobbies

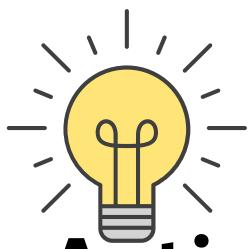

Activity:

Cut the pictures and paste them according to their hobby group:

Activity: My Hobby

What do you like to do for fun? Write them down. Write as many hobbies as you have

Activity: Show and Tell

Bring an item related to your favorite hobby (Example: Painting- paintbrush). Show others how your object is used in your hobby.

Activity: Hobby Charade

Instructions:

Make a box full of folded paper with hobbies written on them. Get into groups or pairs. The first will take a paper and act the hobby without talking while the remaining members will guess the hobby. The group that correctly guessed the most hobbies, wins the game

Activity

Match the words to their pictures

Shoes

Collection

Reading

Swimming

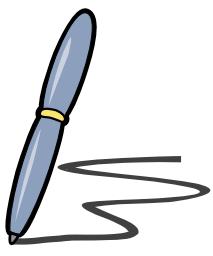

Origami or
Paper
Folding

Dancing
